**Subject:** Public Address System Project - Saturday, February 18, 2017

As a reminder, this Saturday, February 18, 2017, from 7:30 am to 5:30 pm, the Facilities Management and Services Division and the Office of Environmental Information will continue adding speakers to the Public Address System in the hallways of the WJC-South building. The purpose of the project is to enhance the sound quality of PAS announcements. Over the next three months, speakers will also be installed in all of the remaining WJC buildings. FMSD will send a facility notice reminder the day before each installation.

If you have any questions pertaining to the PAS speaker project, please contact the headquarters Building Services Desk at (202) 564-2100.
